Chapter 90 highway maintenance	4,000.00
Chapter 81 highway maintenance	4,000.00

These sums to be returned to overlay surplus on receipt from the state and county

SELECTMEN'S REPORT

A joint meeting with the Selectmen of Dighton and representatives from the Department of Public Works was held concerning the proposed location of the new Berkley-Dighton Bridge.

The proposed new line for the bridge is approximately 2500 feet southerly from the the present bridge and which will also require the construction of a new highway to South Main Street.

The layout of reconstruction of North Main Street from Berkley Street southerly to the end of the 1959 reconstruction was made. It will be necessary to make some land takings for this project.

Notification was received from the Department of Public Works that additional funds from a State bond issue is available for highway maintenance and construction.

We wish to express our appreciation to all for their cooperation with us in the conduct of the town's business.

Respectfully submitted,

HAROLD G. ASHLEY
EINO H. SILVAN
ARTHUR P. MILLER
Selectmen

Selectmen

Attest: Francis F. G. Andrews, Town Clerk

REPORT OF THE CHIEF OF POLICE

To the Board of Selectmen:

Gentlemen:

As your Chief of Police I submit the following report for the year 1969.

Arrests and Summons	165
M.V. Accidents investigated	73
House Breaks investigated	33
Thefts, investigated	21
Stolen Cars reported	9
Stolen Cars recovered	22
Miscellaneous Complaints investigated	469
Malicious destruction of property	21
Car transfers filed	933
Summons served	61
Tickets issued for defective equipment	91
Pistol permits issued	20
Firearm Identification Cards issued	96
Citations issued	169
Confidential reports	37
Dogs killed by autos	9
Boats recovered	2
Missing persons reported	5
Drownings	1
Warnings issued	17
Licenses suspended—Registry	18
Show Cause Hearings	10
District Court Cases	55
Superior Court Cases	4
Court Fines	\$1,025.00

At the annual Town Meeting held in March 1969, it was voted to have the office of Chief of Police placed on a full-time schedule and on April 1, 1969, I began my full-time duties with daily patrols.

On May 14, 1969 the Town purchased its first police cruiser, a 1967 Ford Police Cruiser for \$700.00. This Cruiser now has a total of 81,000 miles on it.

The Berkley Police Association donated a combination roof light and speaker, and a new 50 watt mobile radio for the cruiser, at a cost of \$765.00.

Again I thank the Selectmen, Police Officers, Firefighters, State Police, Registry, and all others for their excellent co-operation in carrying out the duties of the department.

Respectfully submitted,

HAROLD G. ASHLEY

Chief of Police

REPORT OF THE FIRE CHIEF

The town ambulance (Fire Dept.) was called 65 times during 1969; 21 trips to Morton Hospital; 17 to other area hospitals; 8 from hospitals to homes or rest homes; 13 accidents; and 6 calls when the ambulance was not used. Your Police Dept., assisted in 6 calls.

During 1970 the volunteers who man the ambulance will take the Red Cross advanced First Aid Course to renew their certificates. This must be done every three years.

The Fire Dept. (1969) responded to 70 fire calls; 33 for grass and brush; 20 involving buildings, chimneys, or heating equipment; and 17 for Motor Vehicle fires, town dump and accidents. The State Fire Marshall was called in to investigate and to determine the origin of five building fires.

Fire extinguishers in the library, schools, and business establishments were checked and some were recharged.

A pick-up truck was loaned to the Fire Department by the local Civil Defense. It was equipped with a 109 gallon water tank, a portable pump, 300 feet of forestry hose and a two-way radio. It was used for Fire Department business and to fight small fires, which saved the use of heavier equipment and call labor many times.

Our oldest truck, a 1942 Dodge, has been retired Nov. 2, 1969 after many years of service, because of high repair costs. At the annual town meeting in 1969, the townspeople approved an appropriation for a very badly needed Custom built 1970—

Ford—750 gallon pumper with 1,000 gallon tank. This will be housed at the Common Station upon its arrival, which is expected this spring.

I wish to thank you, the residents of Berkley, for your cooperation and efforts to keep fires to a minimum. I also wish to thank the members of the Fire Department, Police Department, and Civil Defense, and others who have helped carry out the duties of this office.

Respectfully submitted,

FRANCIS E. FOURNIER

Fire Chief

REPORT OF THE BERKLEY PUBLIC LIBRARY

To the Trustees and Townspeople:

It is encouraging to report accelerated use of the library. At the present time we have: Adult borrowers, 208; Juvenile, 307—Total 515.

The Library schedule is as follows:

Winter—

Monday 6-8

Thursday 10-8

Friday 6-8

Saturday 2-5

Summer—

Monday 6-8

Wednesday 2-5

Friday 2-5

Book circulation, and allied materials, our only accurate indication of actual library use has increased . . . over a thousand items beyond 1968.

Adult Cir. 7,503—Juvenile 8,732—Total 16,289.

Jr. Library Aid Pins were awarded to: Louane LeCornec and Doreen Crowinshield. Intermediate Pin to James Caron.

We had 239 Special Request books from the Library Loan, including Taunton and Boston.

The Fall River Bookmobile, now a part of the Eastern Regional Service has loaned us approximately 5,000 books.

Seven school classes attend the library regularly under the care of Miss Geister, Mrs. Dewey, Mr. Martin and Mr. Pring. Several film programs have been held, showing proper use of libraries and materials, and more are in the planning stage.

Special Reading Clubs have been conducted using the Caldecott and Newbery Books, and many children have been enriched as to their reading pleasure and appreciation of good literature.

The "Summer-Read-In" enrolled some 50 young folks, from 1st grade thru High School, and was gratifying to all concerned.

Two programs geared for pre-schoolers was conducted. It was astonishing to see the results of reading aloud to children at home. We plan more for this area of service.

We would like to thank those young people who earned Library Aid Pins, and Dawn LeCorney for her many hours of work on inventory. The Staff at Taunton Public Library for their sympathetic interest in all phases of our book searches, Mrs. Medeiros and Mr. McManus of the Bookmobile, and all other folks who have helped in any way to further the scope of the Berkley Public Library.

The following have contributed library material in some form; and a hearty thanks to one and all; Mrs. Thomas Nelson, Mr. and Mrs. Ralph Sherman, Mrs. Herbert Smith, Mrs. Jacqueline Raymond, Mrs. Marshall Walker, Mrs. Sophie Pysz, Misses Ruth and Jessie Howland, Edward Longton, Rodney Briggs, T. Majcher, Louis Andrews, Patricia Pettey, William Silva, Laurence Swift, James McCrohan and Berkley Lion's Club.

We appreciate the cooperation of the School Dept. in arranging schedules and retrieving library materials and hope for a more constructive program in the months ahead.

One of our stumbling blocks is lack of new and better books for this group. With increases in book costs the budget means fewer books for the amount spent. However we are doing our best to keep up reading interest and satisfy patron demands.

Two other plans for the future are . . . the obtaining of a mimeograph to print the forms needed in the library, books, lists, etc. and the other the acquisition of a 16mm movie

projector and suitable screen. With the resources of the Boston Public Library Collection of free films available to us, it does seem that we should take advantage of this opportunity. We would appreciate help in this direction.

In closing, my personal thanks to all who have served their community thru help to the library, to our Trustees who work beyond the call of duty, and to Mrs. Trond who shares so actively in all phases of the library work.

Respectfully submitted,

HELEN M. CRAVEN, Librarian
(Mrs. Walter)

REPORT OF THE TRUSTEES OF THE BERKLEY PUBLIC LIBRARY

Regular monthly meeting of the Board are held on the third Wednesday of each month at the library. At the organizational meeting Walter Craven was elected to serve as chairman and Carolyn Milko as secretary.

Early in the year the Trustees voted to endorse the Library Bill of Rights which was adopted by the Council of the American Library Association and which states certain basic policies governing the service of all libraries. A policy in respect to book complaints was also decided upon and the full text of these are now on file at the library; copies are available on request at the main desk.

It is with regret we must report that we found it necessary to purchase and install more material to protect the building from further acts of vandalism. We would rather have used the money for books.

Lights were also purchased and are now in use to light the parking area in the rear of the building.

Once again it was our pleasure to share our facility with the Lion's Club for the annual Christmas display.

During the year we made available the rooms in the building to various groups and committees for their meetings

and social events. We hope to continue this policy as long as space and building conditions allow it.

We would be sadly remiss if we did not extend our thanks and appreciation to our library staff. Their dedication and loyalty are invaluable.

In conclusion, we deem it a privilege to serve the citizens of Berkley in our capacity and welcome any suggestions that may improve our service.

Respectfully submitted,
WALTER CRAVEN
CAROLYN MILKO
JUNE MOSKAL

REPORT OF THE PLANNING BOARD

During 1969 there were 14 plans of land, not requiring approval under the Sub-division Control Law, received and recorded by the Planning Board. There were no new subdivisions during the year.

The Board worked on a new mobil-home by-law for presentation at the 1970 Annual Town Meeting. There have been many requests from the citizens and various town officials regarding the regulation of mobil-homes.

Ernest J. Poirier served as Representative to the South-eastern Regional Planning and Economic Development District.

Chester A. Strickland and Paul J. Stefanik served as members of the Soil Conservation Commission.

The Planning Board continues to meet on the Third Monday of each month at 7:30 P.M. in the Public Library Basement.

Respectfully submitted,
GEORGE A. MOITOZA
Chairman

JOSEPH H. MARSHALL
Dog Officer

**REPORT OF THE INSPECTOR OF ANIMALS
AND SLAUGHTERING**

To the Board of Selectmen:

Town of Berkley

Gentlemen:

I had 6 calls for dog bites. I inspected 49 barns and 483 animals. There was no slaughtering in the town for 1969.

Respectfully submitted,

JOSEPH H. MARSHALL
Inspector of Animals and
Slaughtering

**BRISTOL COUNTY MOSQUITO CONTROL PROJECT
ANNUAL REPORT FOR 1969**

The Bristol County Mosquito Control Project will complete eleven years of service to nineteen communities within the County on June 30, 1970.

The Project has seen a constant increase in the calls for service and requests for drainage work over the period of years. New developments and recreation areas are either started or expanded. Other reasons for the increasing demand for mosquito control is the development of industrial parks

in suburban areas and the drainage from new highway and road construction

Our pre-hatch and larvicide programs were hampered somewhat the past season by the heavy snowfalls of February 24th and March 3rd, which deposited approximately thirty inches on the area. The melting of this snow through late spring created many new mosquito breeding sites and our spray trucks were hard pressed to keep abreast with the calls for service as the spring brood emerged.

Our brook and stream clearance program resulted in the reclaiming of 925 feet and 250 feet of brush was removed to facilitate a faster runoff of surplus water.

In our pre-hatch and larvicide programs, a total of 49½ acres were treated. In 1970 this Project will have a new tractor-trencher in operation to aid our drainage program as well as a larvicide truck for summer operation to subsidize our spraying program. It may be noted here that this Project has discontinued the use of DDT in all of its operations.

Respectfully submitted,

FRANK W. DILLINGHAM
Superintendent

INDUSTRIAL DEVELOPMENT COMMISSION OF BERKLEY, MASS.

During the year 1969, several meetings were held by the Industrial Developmnt Commission for the town of Berkley, at the Berkley Junior High School.

The Meetings, well attended by members of the Commission, kept the Organization fully informed of all new developments within the County of Bristol, and the Commonwealth of Massachusetts.

New ideas were discussed and many valuable suggestions offered pertaining to advertising of suitable locations for new business or industries.

The meetings covered many important matters of general interest to residents of the town of Berkley.

Respectfully submitted,

EDMOND B. ST. YVES
Secretary

REPORT OF BERKLEY FINANCE COMMITTEE

During the month of January the Berkley Finance Committee has been holding hearings on budget requests for 1970.

The people of Berkley will be asked to vote on a total budget of \$532,183.28 (total does not include \$12,552.69 to be transfered from available funds), an increase of \$89,703.10 over the amount voted at the 1969 town meeting. This amount will mean an increase of over \$13.00 per \$1,000.00 of valuation. The Finance Committee has not at this time made their recommendations, the amount that can be cut from the budgets will make very little difference in the tax rate.

The two largest increases in the budgets were:

School Budget \$33,843.50.

Maturing Debt \$40,000.00 2 years payment on school.

For too many years the majority of the people of Berkley have not attended town meetings leaving it to a small minority to spend their money. You can no longer afford this luxury. There are things that can be done to improve Berkleys financial condition, however, if enough responsible people do not turn out at the town meeting to help, a lot of hard work by various committees will go down the drain.

Respectfully submitted,

DAMON CLEGG, Chairman
FREDERICK WHITE
ALBERT E. SENECHAL
THOMAS FAZIO
EARL WILSON, JR.

DONALD R. PECK
CALVIN OVERLOCK

REPORT OF THE BRISTOL-PLYMOUTH REGIONAL VOCATIONAL TECHNICAL SCHOOL DISTRICT COMMITTEE

This is the second annual report of the Bristol-Plymouth Regional School District. During the past year your committee has kept very active with 24 regular, 7 special meetings, and advisory board conferences representing each occupational offering.

An organizational meeting was held and Donald K. Atkins of Middleboro was elected chairman with William R. Powers of Raynham as vice chairman.

Mr. Walter J. Markham of Lowell became the new associate commissioner for Occupational Education for the Commonwealth and the Bureau of Vocational Technical Education was elevated to a Division status. This at long last gave occupational education the recognition it so deserved.

The firm of Goldberg-Zoino & Associates, Inc., soil and foundation engineers, was hired and their investigation proved that our site location was very adequate for our building. The architectural firm of Drummey Rosane, Anderson, Inc., has presented plans, working drawings, and an artist's rendering of the school. These plans not only received the approval of the Bureau of School Building Assistance but their commendations as well.

Considerable enthusiasm for this school has been generated by industrial firms. Dighton Industries have donated a large storage area for our surplus equipment. From the Massachusetts Division of Surplus Property we have acquired many excellent machines, such as: 4 milling machines, 3 lathes, 1 large Jones & Lamson turret lathe, 3 drill presses, a belt sander and cutter tool grinder. These represent over \$40,000 for original cost. Our cost was less than \$1,600. We are very grateful to General Electric in Lynn, Swank, Inc. of Taunton, and Raytheon Company for their very large donations of machines and electronic components. Appreciation is also expressed to Mr. Walter Williams of Raynham for presenting us with a 1970 Ford pick up truck that will enable us to acquire excellent industrial equipment. Every effort is being made to explore and utilize all areas that will save the tax dollar.

The Massachusetts Division of Occupational Education conducted an examination for the position of Guidance Director for our district. Mr. Paul Couture of Assonet was hired for this position. Some of his duties include an indepth survey of all feeder schools, so that a practical and realistic academic and related course curriculum can be made. He will evaluate all testing materials i.e. Pupil inventory, Kuder Preference, general aptitude test batteries, and any other instrument that will aid the student in course selection. It is his duty to work closely with elementary school principals and guidance directors. He will be actively engaged with industry and the Division of Employment Security planning programs to meet the needs of the employers. His salary is also highly reimbursed by state and federal funds.

The public has been constantly informed of our progress. Every clergyman in our region has received numerous reports on the plans, course offerings, and community services that shall be made available to the area. Many of our service clubs and P.T.A. organizations have seen our excellent film the "Wheels of Change". Four television shows have been presented acquainting the people with our school program. Local radio presentations on numerous occasions have kept our citizenry up to date on our progress. The newspapers also have been given much material from our office to keep their readers up to date. A booth was given to us by the officials of the Rehoboth Fair. With the aid of posters, pictures, and printed materials, we were able to present to a large number of visitors factual information concerning our school. We will mail to our residents a most informative brochure dealing with the various aspects of our planning.

We have had many meetings with educational and industrial leaders, and we are gratified by their enthusiasm for this project. To keep us abreast of industrial needs and how our school can aid in the growth of the community, we have become a member of the Taunton Area Chamber of Commerce.

On September 22, 1969 we advertised for bids. Sub-bids were due October 16, 1969, and the General bids on October 23, 1969. On October 24, 1969, the committee rejected the one General bid they received because it was, in their and the architect's opinion, not a realistic bid. The sub-bids were also rejected at this time. We were advised by our architect, Mr. Richard Rosane of Drummey, Rosane & Anderson, to ask for new bids after the first of the year. More favorable bids would be anticipated during this quarter.

To the many people, who have expressed their genuine concern regarding this school, we are grateful. Our office at 91 Winthrop Street, Taunton, is open daily and we welcome suggestions from our interested citizens.

Respectfully submitted,

CHARLES F. DAY

Superintendent-Director

4. COMMENT

This year a number of levys were cleaned up and this brings about a more healthy picture of outstanding taxes. I believe that a continuation of this program will at the end of 1970 put all outstanding accounts in very good order.

All outstanding Real Estate Taxes are now subject to 8% interest charge, this has doubled since I took office 4 years ago. Motor Vehicle Excise at 6%, I'm sure will increase this year to 8% also.

I wish to take this opportunity to thank the many Town Officials and residents of the town for their help and assistance given me during the year.

Respectfully submitted,

ALFRED T. TOWNLEY, III
Collector of Taxes

Annual Report

of the

SCHOOL COMMITTEE

of the Town of Berkley

Year Ending, December 31, 1969

Town of Berkley
ANNUAL REPORT OF THE SCHOOL COMMITTEE
For the Year Ending December 31, 1969

SCHOOL COMMITTEE

	Term Expires
Ronald F. Reynolds, Chairman 515 Berkley Street, Berkley	1970

Office Hours: Monday through Friday, 8:30 A.M. to 9:30 A.M.
and by appointment.

Business Assistant

James P. Horton

Secretaries

Gladys P. Babbitt
Nancy J. Goulart

School Physician

Dr. Stanley R. Parker, Jr.

School Nurse

Elizabeth J. Deal, R.N.

Attendance Supervisor

Tedfield J. Majcher

GENERAL INFORMATION

Birth Certificates

Presentation of a birth certificate is required for entrance to the first grade.

Vaccination

Every child who enters school for the first time must present a doctor's certificate of immunization against smallpox, diphtheria, tetanus, whooping cough, measles and polio or a statement from his physician that vaccination is inadvisable.

No School Information

When weather conditions are such that our buses are unable to run, a no school notice will be broadcast over Radio Station WSAR, Fall River, Radio Station WPEP, Taunton, Radio Station WPRO, Providence, and Radio Station WARA, Attleboro. Parents are urged to use their own judgement about sending their children to school on stormy days. The fact that school is in session does not mean that attendance by all pupils is advisable.

Transportation

The law requires that transportation be provided for pupils residing more than two miles from the school attended or more than one mile from the nearest bus stop. Many pupils living at lesser distances along the established routes are transported if the seating capacity of the bus will permit. From time to time it is necessary to refuse transportation to some of those living under the required distance when our buses are filled to capacity with children living at a greater distance.

Entrance Age

First grade registration in September of any year will be limited to those children who are at least six years of age or who will become six years of age on or before the following January first. There will be no exception to this ruling. Registration must be during the first three weeks of school in September.

REPORT OF THE SUPERINTENDENT OF SCHOOLS

To the Citizens of the Town of Berkley:

I hereby submit my fifteenth annual report. Incorporated herein is the report of the Berkley School Committee, the School Nurse, the Principal and the Music Department.

Personnel

There were two changes in personnel at the Elementary School. Miss Susan Dupuoy left to be married and Mrs. Geraldine Kenyon moved to another part of the State. Mrs. Sandra Pugliese, a graduate of the University of Massachusetts replaced Mrs. Kenyon. She had substituted in Berkley and Rehoboth during the 1968-69 school year. Mrs. Marguerite Hagopian was elected part-time art teacher and part-time middle grade teacher. She had formerly taught in Fitchburg and Bedford, Mass. At the Junior High School Mr. Paul Norigan left to teach in Rhode Island. He was replaced by Mr. Roland Tardiff. Mr. Tardiff had taught science in Maine and New Hampshire.

Mr. Peter Polk replaced Mr. Peter Abrams as part-time instrumental music teacher. Mr. Wallace Potts assumed a full time position at Dighton and Mr. Carl Stonstrom was hired to teach industrial arts on a part-time basis.

Two years ago Mr. Peter Denison, speech therapist left, and we were able to secure the services of Mrs. Tobi Vitale. This is a service that we were in great need of. Mrs. Vitale formerly taught in Seekonk. In April Mr. J. Gerald Fleming, who had been principal of the Berkley Schools for ten years, resigned to accept a position elsewhere. He was elected to an elementary principalship in Pembroke. Mr. Fleming was instrumental in up-dating many of the school programs and courses of study. He worked hard to give Berkley a good school system. Mr. Edward Canuel was elected to replace Mr. Fleming as district principal. Mr. Canuel came to the Berkley Schools twelve years ago. He was a strong teacher and had a good knowledge of the upper elementary and junior high school program. Mr. Canuel is carrying on the programs already set up and is also working in new areas. Mr. Bradford Richmond was appointed head teacher at the junior high school. This provides some administrative authority at that school when Mr. Canuel is at the elementary school.

I feel we have a good faculty that is devoted to the task of giving the Berkley children a good educational foundation.

Finances

The 1970 budget shows an increase of \$33,843.00 over the 1969 budget. This represents an increase of 9.7%. The largest increases are in teachers salaries about \$15,000.00 and tuition about \$10,000.00. Teachers salaries have increased to keep up with the general increases in salaries in the area. The increase in tuition is due to the increase in the number of pupils attending high school and an increase in the tuition rate. Other increases are \$3,000.00 in maintenance for work to be done at the junior high school and \$4,900.00 in special education due to the hiring of a speech therapist and transportation costs to special schools.

Enrollment and Buildings

Our enrollment continues to increase at the rate of about one half a classroom per year. We have ten classes in nine rooms at the elementary school and seven classes in six rooms at the junior high school. We are using areas other than classrooms to meet our requirements. The elementary school is in excellent condition and the junior high school is in good repair considering its age. There is need for work to be done on the roof at the junior high school this year. The Town is fortunate to have two custodians of the caliber of Mr. Richard Babbitt and Mr. Tedfield Majcher. These men save the Town a great deal in repair bills each year and keep the buildings in good shape.

Future Schools

We are still in a dilemma concerning future building and a place for our high school pupils to attend. The State Department of Education still recommends that we regionalize with some other town or towns. This is not easily done. We have approached Freetown-Lakeville and they are not interested. We had an inquiry from Fall River concerning high school but they have not done anything since our positive reply. We wrote to the Taunton School Committee and they are from time to time discussing the matter but have taken no action to date. In the meantime our schools are getting crowded, Dighton-Rehoboth Regional High School is getting crowded and something will have to happen soon. In fact

Dighton-Rehoboth Regional School Committee voted last June to make the class entering on September 1969 the last one from Berkley. However, they voted at a subsequent meeting to consider future classes. A little relief should be gained at the high school level when the Bristol-Plymouth Regional Vocational School comes into being.

Locally an addition of four rooms would settle our space problem but this really does not improve our program especially at the upper grade level.

Conclusion

Our cafeteria program continues to show a profit under the capable direction of Mrs. Adele Viveiros and her fellow workers. The program meets with the approval of the National School Lunch Supervisor.

Mrs. Elizabeth Deal, R.N. is doing very well carrying out all the duties of a modern school nurse. Her program includes eye and ear tests, clinics, physical examinations, pupil conferences, parent conferences, house visits plus daily routine health matters.

I wish to thank the P.T.A. and other civic organizations for their support of school activities. It is good to know that people are interested in our schools.

Finally I wish to thank Mr. Edward Canuel, Principal and his faculty for the fine cooperation and support they have given us this year. They are a dedicated faculty and we appreciate their loyalty.

I again invite all parents to visit our schools and observe the classes in action.

Respectfully submitted,

ROBERT T. ROY

Superintendent of Schools

REPORT OF THE PRINCIPAL

Mr. Robert T. Roy
Superintendent of Schools

Dear Mr. Roy:

I herewith submit my first annual report as principal of the Berkley Public Schools.

After twelve years as a teacher in the Berkley Public Schools, I assumed the duties of acting principal in April and of principal in September.

Curriculum

We are continuing and expanding our "Continuous Progress Plan" of instruction. In May, the faculty thoroughly evaluated the year's work. In order to obtain a more practical and up to date program, we decided: to devise a different method of reporting to parents concerning level progress; to give more responsibility to the office staff regarding the task of recording student level information; to regroup students often to prevent too many levels in any one class; and to evaluate and revise the level requirements periodically.

Most of the above changes have already been incorporated into our system of instruction. Teachers and principal have spent several sessions evaluating the level requirements. The experience gained in the first year has helped to give us a more useful program.

After meeting with reading and mathematics teachers of the junior high school during the summer months, we were able to extend the program of continuous progress into our sixth grade.

The rest of the curriculum has not changed to any great extent. We provide two teachers for reading and mathematics for our large intermediate class. Our Home Economics department has extended its services to a day and half, thus providing smaller classes. And our foreign language program is still offered at the junior high school. Classes in conversational French are given to a seventh grade class and Latin is offered to interested eighth graders.

Our textbooks are being kept up to date as much as possible. We installed a new English series for grades two

to eight, a new Spelling series for grades one to six, and new music books in grades four and six.

Testing

Intelligence and achievement tests were administered in the spring. These tests, along with teacher evaluation, are useful in grouping our students.

Mechanical aptitude tests were administered to boys desirous of entering the vocational school.

During the summer, the Metropolitan Reading Readiness Test was given to students entering school in September. This test, along with the readiness information gathered during the summer program, enabled us to group our first graders for the opening of school.

Summer Readiness Program

A summer program was again offered to children entering first grade in September. Miss Dorothy Beckwith, elementary school supervisor, directed the program.

The purpose of the program is the prevention of reading failures in the first year of school. Through the use of a variety of materials and physical activities, teachers were able to identify children not yet ready to adapt to the printed word.

Once we designated these children, we inaugurated a program specifically designed for them. We provide as much individual attention as possible. Perceptual, visual, and listening skills are developed before a child is forced to read. With this program, we hope to eliminate the frustrated, unhappy child in the first grade who fails to read.

Extra-Curricular Activities

Students of both schools may join the Glee Clubs and Band. In the past, our students were afforded the opportunity of participating in a regional band for certain programs. With the increase number of instrumentalists and a fine band director, we will develop our own Berkley Band.

Our sports program at the junior high school included: boys' baseball and basketball varsity teams, girls' cheer-leading and intramural softball. Our boys' teams are mem-

bers of the Massasoit Junior High School League. This is a very strong league and the only junior high school league in the area. Our basketball team also entered the C.Y.O. Tournament held in Taunton. The girls' softball program was most successful in that 80% of our girls participated. Junior High School girls also took part in a regional sports day held at the Dighton-Rehoboth Regional High School, under the direction of Miss Kaaren Harrington.

The annual spring festival played to a standing room audience. Our Glee Clubs and elementary students presented a fine program under the direction of Mrs. Barbara Wallace.

Library

Our elementary school library has been reorganized. Books have been catalogued to help each student make better use of the library. This project was possible through the combined efforts of our teacher aides, P.T.A. volunteers, and junior high school eighth grade girls with help from Mrs. Helen Craven.

Last spring we added some eighty books to our library through an ESEA—Title II grant. Our library now has approximately 1,450 books.

Our Junior High School students visit the town library on a regular basis through the cooperation of our town librarian.

General

The Berkley P.T.A. is enjoying its largest membership in years. This dedicated group provided the funds for the annual eighth grade banquet and awards. Since the beginning of the new school year, they have been actively engaged in raising funds for our school children. Their monthly meetings have been interesting and of service to the community. Such programs as: abuse of drugs, vocational school, glee club entertainment, etc. have proven to be timely and practical.

The Berkley Police Association was most generous in providing funds for the annual Christmas parties in our schools.

Chief Francis Fournier of the Berkley Fire Department has been most helpful especially during Fire Prevention Week.

Mr. Clarence Trenouth has made buses available for many school activities. He has provided transportation for our sports team and class trips. Our children were able to enjoy the following educational and recreational activities: New England Electric Power Plant, Science Museum, Plymouth Plantation, a cranberry plant, White's Dairy Farm, Fall River Police Station, Roger Williams Park, Edaville Railroad, and Capron Park. Our Glee Clubs enjoyed outings at Camp Merriwood and Capron Park in Attleboro.

Mrs. Helen Craven, town librarian, provided a suitable schedule for our junior high school students and spent several hours of her time helping us organize our elementary school library.

Conclusion

Parents should feel free to visit our schools whenever they think that their children will benefit from such a visit. I am pleased to report that many parents have taken the opportunity to discuss educational problems. Such cooperation undoubtedly will improve communication between parents and the school.

I have enjoyed working with the children of Berkley. It has been a rewarding and rich experience.

I should like to thank you, the school committee, all parents, teachers, our school secretary, school nurse, cafeteria workers, our janitors, our teacher aides, and all students for their understanding and cooperation.

Respectfully submitted,

EDWARD G. CANUEL
Principal

ELEMENTARY VOCAL MUSIC REPORT

Mr. Robert T. Roy
Superintendent of Schools

Dear Mr. Roy:

I herewith submit my fourth annual report as Elementary Vocal Music Supervisor.

Weekly visits were made to each of the primary grades, with the classroom teachers carrying on the assigned musical activities. The intermediate grades were visited twice weekly, with their classroom teachers assisting whenever possible.

The elementary school glee club of approximately 60 students from the intermediate grades contributed to the successful spring program, "Potpourri," in which all elementary grades participated. In addition to this program, the glee club presented a program for the students of the George R. Martin elementary school in Seekonk, followed by an outing at Capron Park in Attleboro. In December they also provided a portion of the Christmas P.T.A. program as well as a portion of the Christmas assembly held by and for the students of the elementary school.

For a second year the junior high school had its own glee club, meeting twice weekly. They also participated in the annual spring program, the December P.T.A. meeting, and a Christmas assembly for all junior high students. Mrs. Carolyn Nowell's 7A music class provided the main portion of this assembly. Mrs. Nowell met all junior high classes twice weekly, thereby continuing the vocal music growth of our students.

Respectfully submitted,

BARBARA L. WALLACE

Elementary Vocal Music Supervisor

REPORT OF THE SCHOOL NURSE

Mr. Robert T. Roy
Superintendent of Schools

Dear Mr. Roy:

I take pleasure in submitting my third annual report as school nurse of the Berkley Schools.

Yearly reports were completed and sent to the state as requested.

Our school physician, Dr. Stanley Parker conducted routine physical examinations on all students in grades 1, 5, & 8, the opportunity class and students participating in competitive sports. The total number of students examined were 169; 150 by the school doctor and 19 by private physicians. 8 parents of the first graders attended their childrens physicals. 28 referrals for further diagnosis were sent to the parents. 18 completed referrals were returned and those that were not were mostly dentals.

Yearly vision and hearing screening tests were performed on 359 students. 41 vision failures were found and 32 were corrected. 7 hearing failures were found with 4 correct referrals returned. I encourage retesting through-out the school year. Any teacher, student or parent may request testing as change from the normal can occur in a matter of a few months.

Yearly heights and weights were recorded on the students health records with any abnormal considerations noted.

Periodic checking for pediculosis was carried out. General health hygiene was evaluated and discussed with each class. Several students needing motivation in general health care were seen daily in the health room for counseling.

Films to promote good dental care were shown to grades 3 & 4.

Spring clinics were held by Dr. Souza, the town physician, assisted by the V. N. A. Smallpox, D. P. T., Polio, Measles, and Mumps Vaccines were offered. Since the new state law requires that all children be immunized before entering the first grade, it seems to me that more parents would avail themselves of these free clinics.

In conclusion, I would like to express my sincere gratitude to those who have actively cooperated in attaining the goals of the school health program.

Respectfully submitted,
ELIZABETH J. DEAL, R.N.

SCHOOL CALENDAR

1969 - 1970

BERKLEY ELEMENTARY AND JUNIOR HIGH SCHOOL

School opens September 3, 1969	Closes December 23, 1969

WARRANT FOR ANNUAL TOWN MEETING**March 9, 1970**

ARTICLE 1. To hear the report of the Finance Committee, or act thereon.

ARTICLE 2. To act on the reports of the town officers.

ARTICLE 3. To see if the Town will vote to authorize the treasurer, with the approval of the selectmen, to borrow money in anticipation of revenue for the financial year of 1971, and to issue a note, or notes, therefor, in accordance with the provisions of Chapter 44 of the General Laws, or act thereon.

ARTICLE 4. To see if the Town will vote to authorize the selectmen to contract with the Department of Public Works and County Commissioners of Bristol County for the construction and maintenance of the public highways for the ensuing year, or act thereon.

ARTICLE 5. To see if the Town will vote to fix the salaries and compensation of all elective officers of the Town as provided by Section 108 of Chapter 41 of the General Laws as amended, as follows: Moderator, Selectmen, Board of Health, Auditor, Treasurer, Collector, Assessors, Town Clerk, Constables, Tree Warden, Highway Surveyor, School Committee, Library Trustees Chairman, and Burial Ground Commissioners, and raise and appropriate sums of money for same, or act thereon.

ARTICLE 6. To see if the Town will vote to raise and appropriate sums of money for the following expense accounts, namely: Finance Committee, Industrial Development Commission, Selectmen, Auditor, Treasurer, Collector, Assessors' Clerk, Assessors' Expense, Assessors' Legal Counsel, Town Clerk, Planning Board, Board of Appeals, Moderator, Tax Title Expense, and Soil Conservation Commission, or act thereon.

ARTICLE 7. To see if the Town will vote to raise and appropriate sums of money for the following departments, namely: Town Counsel, Elections, Registrations, Town Hall, Police Department, Fire Department, Tree Department, Dog Officer, Board of Health, Civil Defense, or act thereon.

ARTICLE 8. To see if the Town will vote to raise and appropriate a sum of money for the purchase of a new Police

Cruiser, with the present Cruiser to be traded in, or take any action in relation thereto.

ARTICLE 9. To see if the Town will vote to raise and appropriate a sum of money for the town's share of Chapter 81 Highway Maintenance, and to appropriate and transfer a sum of money from the Overlay Surplus Account to cover the State and County shares, said sum to be returned to the Overlay Surplus Account on receipt from the State and County, or act thereon.

ARTICLE 12. To see if the Town will vote to raise and appropriate a sum of money for the Town's share of Chapter 90 Highway Maintenance, and to appropriate and transfer a sum of money from the Overlay Surplus Account to cover the State and County Shares, said sum to be returned to the Overlay Surplus Account on receipt from the State and County, or act thereon.

ARTICLE 13. To see if the Town will vote to raise and appropriate a sum of money to be spent for highway construction on Anthony Street.

ARTICLE 14. To see if the Town will vote to raise and appropriate a sum of money for Chapter 90 Highway Construction, or take any action in relation thereto.

ARTICLE 15. To see if the Town will vote to appropriate and transfer a sum of money from available funds to the Engineering, legal fees, North and South Main Street Account, or act thereon.

ARTICLE 16. To see if the Town will vote to transfer a sum of money from the Green Street Construction Account to the North and South Main Streets Construction Account.

ARTICLE 17. To see if the Town will vote to raise and appropriate sums of money for the following accounts, namely: Berkley-Dighton Bridge Expense, Road Machinery Account, Street Lights, Snow Removal, Sanding and Snow Fence, Care of Berkley Common, Town Reports, Town Water, Cemeteries, Veterans' Memorial, Veterans Graves, Memorial Day, Town Buildings and Public Liability Insurance, Building Inspection Fees and Expenses, Sanitary Inspection Fees and Expenses, Reserve Account, Compensation Insurance, Interest on Loans, Bristol County Retirement Assessment, Berkley Group Insurance Plan, or act thereon.

ARTICLE 18. To see if the Town will vote to raise and appropriate sums of money for Public Welfare and Veterans' Services, or act thereon.

ARTICLE 19. To see if the Town will vote to raise and appropriate a sum of money for the School Department, or act thereon.

ARTICLE 20. To see if the Town will vote to raise and appropriate a sum of money for the Public Library, and to transfer a sum of money from the Dog Fund, and to transfer a sum of money from the State Aid to Libraries Account to the Public Library Account, or act thereon.

ARTICLE 21. To see if the Town will vote to pay the unpaid bills of previous years, and to see if the Town will vote to raise and appropriate a sum of money therefor, or act thereon.

ARTICLE 22. By petition, to see if the Town will authorize the Selectmen to layout as public ways the following streets, Hillside Ave., Water Street, Beach Street, Freeman Street, and Jessie Lane, and raise and appropriate a sum of money for Engineering and Legal Expenses.

ARTICLE 23. To see if the Town will vote to raise and appropriate a sum of money for use by the Berkley American Legion Post for Memorial Day Expenses, or act thereon.

ARTICLE 24. To see if the Town will vote to raise and appropriate \$8,052.69 for highway construction, maintenance and repair of highways and bridges; said sum made available in accordance with Section 5. of Chapter 768 of the acts of 1969.

ARTICLE 25. To see if the Town will vote to amend the by-laws, Article 2 Section 2, by deleting the words, "There shall be elected annually on the Third Monday in March," and inserting in place thereof the words, "There shall be elected annually on the Saturday following the second Monday in March."

ARTICLE 26. To see if the Town will vote to raise and appropriate a sum of money for the Bristol-Plymouth Vocational Technical School District.

ARTICLE 27. To see if the Town will vote to authorize the Selectmen to transfer parcels of land to abutting owners

as follows: Land on Padelford Street and land on South Main Street, and all expenses of surveying and Legal expenses to be paid by the purchasers.

ARTICLE 28. To see if the Town will vote to raise and appropriate a sum of money to correct a drainage problem on Mill Street, or act thereon.

ARTICLE 29. To see if the Town will vote to raise and appropriate a sum of money to the Stabilization Fund.

ARTICLE 30. To see if the Town will vote to accept the layout of a section of North Main Street as a public way, and vote to empower the Selectmen to take land, sloping and drainage rights, by gift, purchase, or eminent domain for the relocation and construction of a section of North Main Street, or take any other action relative thereto.
